

# One World Week Film Night Presents: Thank You for the Rain

Follow the story of Kisilu Musya, a smallholder farmer in Kenya, as he uses his camera to capture the life of his family, his village and the impacts of climate change.

Following a storm that destroys his house, Kisilu starts building a community movement of farmers fighting the impacts of extreme weather and he takes his message of hope all the way to the UN Climate Talks in Paris, COP21.
